

Membership Application

It is the expressed intent of the founding members of this Association that all members shall have and exhibit a sincere interest to promote, preserve and perpetuate a type of music known as Rhythm & Blues. From a DJ perspective, this music is more specifically defined as the type of R&B music to which dancers of any age group and from any part of the country can perform their own style of "fast dance". The generic term "fast dance" has many different names across the country such as Be Bop, Beach Bop, Bop, Jitterbug, Lindy Hop, Push, Shag, Swing (East, West, Imperial & Supreme) and Whip to name only a few of our many national dance styles.
